## RENO-REGION PROGRAM (RRP)

To be eligible you must:

- Be the owner-occupier (permanent residence) of a house whose standardized value on the roll does not exceed \$150,000 (without land), located outside a flood zone and containing a major defect.
- Be a Canadian citizen or permanent resident, and your total household income does not exceed the parameters that will be specified to you by the inspector. The program is aimed at low-income households and varies depending on the size of the said household.
- Not having received financial assistance from the Réno-Région Program (PRR) in the last 5 years
