Mayor's report on the financial situation 2023

In accordance with article 176.2.2 of the Municipal Code, I hereby present the highlights of the Municipality of Bury's financial report to December 31, 2023, as well as those of the external auditor. The financial report shows that the Municipality of Bury is in a sound financial position and that we will continue to develop Bury while respecting the financial capacity of its citizens.

Financial report

For fiscal 2023, we have established a total consolidated budget of \$2,589,835. Total expenses, including debt repayment and financing costs, are \$2,589,069. The surplus for the year, after tax reconciliation, is \$766.

As presented in the independent auditor's report, dated May 14, 2025, Raymond Chabot Grant Thornton, Chartered Accountants, conducted its audit in accordance with Canadian generally accepted auditing standards. Their report indicates that the consolidated financial statements present fairly, in all material respects, the financial position of the Municipality of Bury as of December 31, 2023, and the results of its operations, changes in its net financial assets (net debt) and its consolidated cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Main achievements and acquisitions in 2023

- Sale of two (2) municipal lots
- Purchase of a building for the new fire station
- Purchase of firefighting equipment
- Rehabilitation of well # 1
- Replacement of well #1 pump
- Reconstruction of culverts

Conclusion

The financial report to December 31, 2023, shows that the Municipality is in a sound financial position and that it is striving to apply sound management principles while respecting the citizens' ability to pay.
